Nothing in this Section 3.4(i) shall prohibit an owner's use of a residence for quiet, inoffensive activities such as tutoring or giving art or music lessons so long as such activities do not violate the restrictions set forth above and do not materially increase the number of cars parked on the street or interfere with adjoining owners' use and enjoyment of their residences and yards.

residences in the Addition or in any other addition or subdivision owned by the Developers.

(n) Notwithstanding anything contained in this Declaration to the contrary, the Developers, the Committee or the Association may construct, or cause to be constructed, a recreational center (the "Recreational Center") in the Addition for the use of all owners of the lots in the Addition. Without limiting the foregoing, the Recreational Center (if any) may include, without limitation, swimming and other recreational and clubhouse facilities deemed desirable by the Developers, the Committee or the Association, as applicable. The Developers, the Association or the Committee may remove from the Addition or any surrounding area any signs which do not comply with this Section 4.12.

ARTICLE V

ARCHITECTURAL CONTROL COMMITTEE

Section 5.1 Appointment. ~~The Architectural Control Committee (the "Committee") consisting of three (3) members may, but shall not be obligated to, be formed only by the Developers during the period of time that the Developers owns any interest in any lot, and thereafter (a) by the Board members of the Association, or (b) by the lot owners representing a majority of the lots. If the Committee is formed by the Developers, then (i) the Developers shall initially designate and appoint the members, each appointee to be generally familiar with the residential and community development design matters within other additions with which the Developers have been associated and knowledgeable about those concerns articulated in this Declaration, and (ii) within ninety (90) days after the date that all of the lots have been sold by the Builder, the Board (if the Association has been formed and is in existence as of such date) or the lot owners (if the Association has not been created or is no longer in existence as of such date) shall (A) confirm and approve the membership of the Committee, or (B) appoint one (1) or more successor members of its/their own choosing to the Committee, with such succession to be effective thirty (30) days after such appointment of such successor(s).~~

Section 5.2 Term; Successors; Compensation; Liability. (a) ~~Each member of the Committee shall serve on the Committee until such member resigns or is removed by the party who appointed such member to serve on such Committee. Without limiting the foregoing, the appointing party may remove its appointed member of the Committee at any time for any reason.~~

(b) In the event of the death, resignation or removal by the appointing party of any member of the Committee, such appointing party shall have full authority to designate and appoint a successor within a reasonable period of time. If no such appointment is made on a timely basis, the remaining member(s) of the Committee shall appoint a successor member.

(c) No member of the Committee shall be entitled to compensation for, or be liable for claims, causes of action or damages arising out of, services performed pursuant to this Declaration.

Section 5.3 Authority. (a) After the initial platting of the land in the Addition, the Addition shall not be replatted or resubdivided, no landscaping shall be undertaken and no building, fence, wall or other structure shall be commenced, erected, placed, maintained or altered on any lot, nor shall any exterior painting of, exterior addition to, or alteration of, such items be made by any party (other than the Developers) until all plans have been approved by the Developers, and if a Committee has been formed and is in existence as of such date then until all plans therefore have been submitted to and approved in writing by a majority of the members of the Committee, as to:

(i) conformity and harmony of the proposed replat and any landscape plan to the existing development in the Addition, surrounding areas, community standards and other developments with which the Developers are associated;

(ii) quality of workmanship and materials, adequacy of site dimensions, adequacy of structural design and proper facing of main elevation with respect to nearby streets;

(iii) conformity and harmony of the external design, color, type and appearance of exterior surfaces and landscaping in relation to the various parts of the proposed improvements and in relation to improvements on other lots in the Addition; and

(iv) the other standards set forth within this Declaration or matters in which the Developers or the Committee, whichever applies, have been vested with the authority to render a final interpretation and decision.

Without limiting the foregoing, the Developers or the Committee, whichever applies, have authorized and empowered to consider and review any and all aspects of platting, construction and landscaping which may, in the reasonable opinion of such party, affect the living enjoyment of one or more lot owners or the general value of lots in the Addition. In considering the harmony of external design between existing structures and a proposed building being erected, placed or altered, the Developers or the Committee, whichever applies, shall consider only the general appearance of the proposed building as that can be determined from front, rear and side elevations on submitted plans.

(b) The Developers, or the Committee acting pursuant to a majority vote of its members, whichever applies, shall have the right, power and authority to enforce the covenants, conditions, restrictions and all other terms contained in this Declaration relating to the matters within its purview as set forth herein. If the Developers fail or refuse to enforce this Declaration as stated above, then the Association shall have the right, power and authority to enforce this Declaration.

Section 5.4 Procedure for Approval. (a) Each of the following documents (and all modifications thereof) must be submitted to the Developers or the Committee, whichever applies, and such party's approval must be obtained, prior to the document's submission to the City or implementation:

- (i) preliminary replat;
- (ii) final replat;
- (iii) engineering plans and specifications;
- (iv) landscaping, fencing and general development plans; and
- (v) architectural, building and construction plans for each residence, showing the nature, kind, shape, height, materials and location of all landscaping and improvements on each lot, and specifying any requested variance from the setback lines, garage location or other requirements set forth in this Declaration, and, if requested by the Developers or the Committee, samples of proposed construction materials.

(b) All documents must be submitted in duplicate and must be sent to the Developers or the Committee by hand delivery or certified mail; provided, however, the Developers shall not be obligated to submit or obtain approval of such documents as long as either Developers owns any lot(s) in the Addition. At such time as the submitted documents meet the approval of the Developers or the Committee, one complete set of the submitted documents will be retained by such party and the other complete set shall be marked "Approved", signed by such party and returned to the Builder or its respective designated representative. If disapproved by such party, one set of documents shall be returned marked "Disapproved" and shall be accompanied by a statement of the reasons for disapproval, which statement shall be signed by such party. Such party's approval or disapproval shall be in writing. In no event shall such party give oral approval of any documents. Notwithstanding the foregoing, if such party fails to respond to any submitted documents within ninety (90) days after

the date of submission, the matters submitted shall be deemed to be approved.

Section 5.5 Standards. The Developers or the Committee, whichever applies, shall use the best efforts to promote and ensure a high level of taste, design, quality, harmony and conformity throughout the Addition consistent with the standards set forth in this Declaration, provided that such party or parties shall have sole discretion with respect to taste, design and all standards specified herein. One objective of such party is to conform generally with community standards and prevent unusual, radical, curious, odd, bizarre, peculiar or irregular structures from being built or maintained in the Addition. Such party shall also have the authority, among other things, to require at a minimum a five (5) to twelve (12) foot roof pitch or slope on the main structure of the residence (subject to such party or parties' ability to permit slight variances for garage and porch roof pitch or slope), to require that the exterior surfaces of the chimney chases be covered with brick, masonry or wood, to prohibit the use of lightweight composition roof material, to require that the colors of roofing materials be earth tones, to require the use of certain types of divided light windows (such as bronzed, white or black), to prohibit or regulate the use of solar or heating panels, to regulate the construction and maintenance of awnings and generally to require that any plans meet the standards of the existing improvements on neighboring lots. Such party or parties may from time to time publish and promulgate bulletins regarding architectural standards, which shall be fair, reasonable and uniformly applied and shall carry forward the spirit and intention of this Declaration.

Section 5.6 Termination. The Committee shall cease to exist on the date on which, with the prior written approval of the Developers (if the Committee was created and sanctioned by the Developers and the Developers have not relinquished control or their right to give such approval) or the Board (if the Association has been formed and is still in existence as of such date) or the lot owners representing a majority of the votes of the lot owners (if the Association has not been created or is no longer in existence as of such date and the Developers have relinquished control or its right to give such approval), all the members of the Committee file a document declaring the termination of the Committee. If there is no Committee in authority, then no approval by the Committee shall be required under this Declaration, and variations from the standards set forth in this Declaration shall then be made in accordance with the general development standards as reflected in the approved plans, construction materials, landscaping and other matters (i) by the Developers, and (ii) by the Association if the Developers fail to

take action relating thereto or after the Developers have relinquished control hereunder.

Section 5.7 Liability of Developers and the Committee. (a) The Developers and the members of the Committee shall have no liability for decisions made by them so long as such decisions are made in good faith and are not discriminatory, arbitrary or capricious. Any errors in or omissions from the documents submitted to the Developers or Committee shall be the responsibility of the entity or person submitting the documents, and the Developers or Committee shall have no obligation to check for errors in or omissions from any such documents, or to check for such documents' compliance with the general provisions of this Declaration, City codes and regulations, FHA or VA regulations, state statutes or the common law, whether the same relate to lot lines, building lines, easements or any other issue.

(b) The Declarants and the Developers shall have no responsibility or liability for (i) the creation, selection, management or operation of the Committee, (ii) any actions taken or omitted to be taken by or on behalf of the Committee as a result of, in connection with, under or pursuant to this Declaration or the Addition, or (iii) any liabilities, obligations, debts, actions, causes of action, claims, debts, suits or damages incurred by or on behalf of or arising in connection with the Committee, the Addition or the duties and obligations of the Committee pursuant to this Declaration.

## ARTICLE VI

SPECIAL FENCING AND LANDSCAPING PROVISIONS

Section 6.1 Fences, Walls, Sprinkler Systems and Other Improvements in the Restricted Area. The Developers and/or the Association, whichever applies, shall have the right, but not the obligation, to erect, install, maintain, repair and/or replace fences, walls, subdivision monuments, signs, improvements and/or sprinkler systems within those portions (the "Restricted Area") of any lot which is located between the property lines of such lot and the setback or sight lines (as established by the Plat(s), this Declaration or any governmental entity) of such lot. If any fence, wall, subdivision monument, sign, improvement or sprinkler system is erected or installed on any lot(s), such fence, wall, subdivision monument, sign, improvement or sprinkler system shall be the property of the owner of the lot on which such fence, wall, subdivision monument, sign, improvement or sprinkler system is erected or installed, subject to the easements and rights of the Developers set forth below. No fence, wall or sprinkler system shall be erected or installed in the Restricted Area by the owner of the affected lot without the prior written consent of the Developers, provided that any fence, wall or sprinkler system installed by the Developers in the Restricted Area may be maintained, repaired and/or replaced by the owner of the affected lot.

Section 6.2 Landscaping. The Developers shall have the right but not the obligation to grade, plant and/or landscape and maintain, repair, replace and/or change such grading, planting and landscaping on any portion of the Restricted Area of any lot provided that such grading, planting and landscaping conforms with the landscaping plan approved by the Developers or Committee as set forth above. In the event the Developers do not landscape the Restricted Area, the owner of the affected lot may plant grass and, with the prior written consent of the Developers, may landscape, install a sprinkler system and plant trees and shrubs in the Restricted Area; provided, however, in no event shall an owner erect or maintain any structure, paving or improvement other than landscaping and a sprinkler system in the Restricted Area.

Section 6.3 Restricted Area and Fence Encroachment Easements. (a) The Developers shall have the right and easement to enter upon the Restricted Area for the purpose of exercising the discretionary rights set forth in Sections 6.1 and 6.2 hereof.

(b) Each owner, as grantor, grants to each owner of each immediately adjacent lot, as grantee, a non-exclusive reciprocal easement, license, privilege and right-of-way for the encroachment of any common fence upon such grantor's lot and for the right to

attach any adjacent lot boundary fences to any common fence; provided, however, no such encroachment shall extend more than two (2) feet into such grantor's lot and no such attachment shall irreparably and visibly damage the common fence. Without limiting the foregoing, the grantee shall have the easement, license, privilege and right-of-way for free, continuous and uninterrupted use of ingress and egress over and across the encroachment area which is located between the grantor's property line and the common fence, provided that the grantee agrees (i) not to construct or permit to exist within or on the encroachment area any building, structure or other obstruction, (ii) to immediately repair any portion or condition of the encroachment area which is not in good condition or which is in need of repair, and (iii) to mow, water, weed and otherwise maintain and repair, at its sole cost and expense, the encroachment area in good condition and in accordance and compliance with all laws, rules, regulations, restrictions and covenants affecting the encroachment area and in accordance and consistent with the standards maintained in the Addition. In the event that grantee fails or refuses to reasonably maintain and repair the encroachment area as generally described above, then the grantor may, if such condition continues after expiration of ten (10) days after written notice of such failure to the grantee, perform the maintenance and other duties described herein in which event the grantee shall immediately reimburse grantor all costs and expenses associated with maintaining or performing such duties as generally described above.

(c) Each grantee hereby grants to each grantor (as such terms are used in Paragraph (b) above) a non-exclusive reciprocal easement, license, privilege and right-of-way to utilize and travel across such portions of the grantee's property as may be necessary or appropriate to provide access and ingress and egress to, and to maintain, repair, reconstruct and replace, the common fence. The grantor and grantee hereby agree to contribute equally to the maintenance, repair, reconstruction and replacement of any common fence, and if either grantor or grantee refuse to contribute or to participate in such maintenance, repair, reconstruction or replacement, then the other party may perform such duties and take such actions as it deems appropriate, and the non-performing parties shall reimburse the performing party for one-half (1/2) of all costs and expenses associated therewith. Without limiting the foregoing, in the event that the common fence needs to be replaced or substantially repaired which involves substantial renovation or reconstruction of the common fence, either party reserves the right, subject to all applicable laws, rules, regulations, restrictions and covenants, to relocate the common fence to the common property line between the grantor's and grantee's properties in which event the encroachment easement described in Paragraph (b) above shall immediately terminate upon

completion of such renovation, reconstruction and relocation of the common fence to the common property line.

(d) The easements, licenses, privileges and rights-of-way described in this Section 6.3 shall constitute covenants running with each of the affected adjacent lots pursuant to applicable law for the benefit of each of the affected adjacent lots and the owners of such affected adjacent lots and their respective successors and assigns, and shall burden each of such affected adjacent lots, the owners of such affected adjacent lots and their successors and assigns.

Section 6.4 Maintenance of Restricted Area by Individual Lot Owner. In the event the Developers do not voluntarily maintain or repair any fences, walls, subdivision monuments, signs, sprinkler systems, grading, planting, landscaping or other improvements erected, installed or situated within the Restricted Area, then the owner of the affected lot shall, at its expense, perform such maintenance and repair work as is necessary to maintain such fences, walls, subdivision monuments, signs, sprinkler systems, grading, planting, landscaping and other improvements in a good and neat condition and appearance; provided, however, that the lot owner shall give the Developers and the Association ten (10) business days' written notice before performing any maintenance other than mowing, edging and trimming. So long as the Restricted Area and any fences, walls, subdivision monuments, signs, sprinkler systems, grading, planting, landscaping and other improvements thereon are reasonably maintained and repaired by Developers, the owner of such affected lot shall not perform any maintenance or repair work within such Restricted Area without the prior written consent of the Developers and the Association. In no event shall the owner of any lot perform any maintenance or repair work on any sprinkler system within the Restricted Area without the prior written consent of the Developers and the Association unless such sprinkler system is owned by the owner and services only the owner's lot.

Section 6.5 Termination. Upon notice from the Developers recorded in the public records of the County, the Developers may terminate any or all of their respective rights, easements and authority pursuant to this Article VI.

Section 6.6 Association's and Lot Owners' Rights. Notwithstanding any contrary provision herein, the Association and the lot owners (if the Association has not been formed or is no longer in existence) shall have the right, but not the obligation, to exercise, at the Association's or lot owners' sole expense, any of the Developers' rights, easements and authority pursuant to this Article VI, but only to the extent that the Developers have relinquished their rights herein or elects not to

exercise such rights, easements and authority. The Developers' termination of their respective rights pursuant to Section 6.5 shall have no effect on the Association's or lot owners' rights pursuant to this Section 6.6.

## ARTICLE VII

### MAINTENANCE

Section 7.1 Property and Lot Maintenance. Prior to completion of the development of the entire Addition and construction of a residence on each lot, all vacant lots and undeveloped portions of the Addition shall be kept mowed and free of trash and construction debris by the owner thereof. After the Lot Approval Date with respect to a particular lot, the owner and occupant of each lot shall cultivate an attractive ground cover or grass on all areas visible from the street, shall maintain all areas in a sanitary and attractive manner and shall edge the street curbs that run along the property line and the sidewalks and driveway located on the lot. Grass, weeds and vegetation on each lot must be kept mowed at regular intervals so as to maintain the property in a neat and attractive manner. No vegetables shall be grown in any yard that faces a street unless completely screened from public view by fences which comply with the provisions of this Declaration. No owner shall permit weeds or grass to grow to a height of greater than six (6) inches upon its lot. Upon failure of the owner of any lot to maintain such lot (whether or not developed), either Developers may, at it's option, have the grass, weeds and vegetation cut as often as necessary in their judgment and the owner of such lot shall be obligated, when presented with an itemized statement, to reimburse such Developers for the cost of such work. In the event the Developers shall fail to exercise their right granted under the preceding sentence within ten (10) days following written notice to both Developers from the Association or the City stating the Association's or City's intent to exercise such right, the Association or City, whichever applies, shall have the right, in lieu of the Developers, to have the grass, weeds and vegetation cut as provided above, and upon exercise of such right, the owner of such undeveloped property or the owner of the lot in question shall be obligated, when presented with an itemized statement, to reimburse the Association or City, whichever applies, for the cost of such work. These provisions shall be construed to create a lien in favor of the performing party against such property for the cost of such work or the reimbursement sought for such work performed on such property. In the event that the Association has not been formed or is no longer in existence, then the rights of the Association described herein may be exercised by the lot owners as set forth in Section 11.7(b) herein.

In the event Developers shall fail to exercise their right granted under the preceding sentence within ten (10) days following written notice from the Association to both Developers of the Association's intent to exercise such right, the Association shall have the right, in lieu of the Developers, to perform such maintenance as provided above, and upon exercise of such right, the owner of such lot in question shall be obligated, when presented with an itemized statement, to reimburse the Association for the cost of such maintenance work. These provisions shall be construed to create a lien in favor of the performing party against such lot for the cost of such work or the reimbursement sought for such work performed on such lot. In the event that the Association has not been formed or is no longer in existence, then the rights of the Association described herein may be exercised by the lot owners as set forth in Section 11.7(b) herein.

Without limiting the foregoing, the owner(s) (including the Developers) of land which has not been final platted and fully developed shall have membership in the Association as if the land had been final platted and fully developed into the lots reflected on the Preliminary Plat, and shall be entitled to vote for each such proposed lot in accordance with the provisions of Section 8.2 hereof.

(ii) Class B. Class B member(s) shall be the Developers, who shall be entitled to three (3) votes for each lot owned by each Developers. ### ASSESSMENTS

Section 9.1 Creation of Lien and Personal Obligation of Assessments. No mandatory assessments shall be due prior to the Lot Approval Date. From and after the Lot Approval Date, the Developers, for each fully developed lot in the Addition owned by such Developers, hereby covenant, and each owner (other than the Developers), by acceptance of a deed to a lot, is deemed to covenant and agree, to pay to an account or fund established by the Developers or the Association (if the Association has been formed and is in existence as of such date) (a) annual assessments, and (b) special assessments, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs of collection and reasonable attorneys' fees, shall be a charge on each lot and, if unpaid as described in Section 9.5 hereof, shall constitute a continuing lien upon the lot against which each such unpaid assessment is made. Each such assessment, together with interest, costs of collection and reasonable attorney's fees, shall be the personal obligation of the owner of such lot at the time when the assessment came due as set forth in Section 9.3. The personal obligation for delinquent assessments shall not pass to such owner's successors in title unless expressly assumed by them, provided that the lien for such assessments shall continue and may be enforced against the lot.

Section 9.2 Annual Assessment. (a) From and after the Lot Approval Date, each lot shall hereby be subjected to an annual assessment for the purpose of creating a fund to be designated and known as the "maintenance fund". The annual assessment will be paid by the owner of each lot, as set forth under Section 9.3, to an account or fund established by Developers or the Association annually in advance or in such intervals and methods as may be established by the Developers or the Board from time to time. The assessment per lot for the year in which the Lot Approval Date occurs shall be established by the Developers. Without limiting

the foregoing, the annual assessments shall be sufficient to fund the purposes, uses and benefits described in Section 9.4 hereof.

(b) The assessment for a particular lot for the calendar year in which the Lot Approval Date occurs shall be prorated for such calendar year for the period commencing on the Lot Approval Date and ending on December 31 of such calendar year. The rate at which each lot will be assessed for subsequent years will be determined annually at least thirty (30) days in advance of each annual assessment by the party creating the assessment as set forth above, provided that, without a vote of the membership as described in the next sentence, the annual assessment, if created by the Association, may not be increased by the Association in any year by an amount in excess of ten percent (10%) above the previous year's annual assessment. The annual assessment may be increased by the Association to an amount in excess of Ten percent (10%) of the annual assessment for the previous year by the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose at which a quorum is present. The notice and quorum requirements for such meeting are the same as those set forth in Section 9.5 for special assessments for capital improvements. The assessments for each lot shall be set forth under section 9.3. The Developers or the Association shall, upon demand and upon payment of a reasonable fee, furnish a certificate signed by an officer of each Developers or the Association setting forth whether the assessments on a specified lot have been paid.

The lien on any particular lot created as the result of the non-payment of any assessment provided for herein shall only be subordinate to the liens of any valid first lien mortgage or deed of trust secured by such lot. Notwithstanding anything contained in this Declaration to the contrary, Declarant and Developers shall not be liable for any liabilities, obligations, damages, causes, causes of action, claims, debts, suits or other matters incurred by or on behalf of the Association or lot owners or for any deficits or shortfalls incurred or realized by or on behalf of the Association or lot owners in connection with the Addition or this Declaration. ## ARTICLE XI

### GENERAL PROVISIONS

Section 11.1 Utility Easements. Easements for the installation and maintenance of utilities and drainage facilities are reserved and shown on the Plat, including, without limitation, an easement over the rear five (5) feet of each lot. Easements are or will be also reserved on the Plat for the installation, operation, maintenance and ownership of utility service lines from the lot lines to the residences. Developers reserves the right to make changes in and additions to the above easements for the purpose of most efficiently and economically developing the land and installing improvements in the Addition. The owner of a lot shall mow weeds and grass and shall keep and maintain in a neat and clean condition any easement which may traverse a portion of the owner's lot.

Section 11.2 Recorded Plat. All dedications, limitations, restrictions and reservations shown on the Plat(s) are and shall be incorporated herein and shall be construed as being adopted in each contract, deed or conveyance executed or to be executed by

Developers or any Builder or other owner conveying lots in the Addition whether specifically referred to therein or not.

Section 11.3 Mortgages. It is expressly provided that the breach of any of the conditions in this Declaration shall not defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value, as to the same premises or any part thereof encumbered by such mortgage or deed of trust, but said conditions shall be binding thereto as to lots acquired by foreclosure, trustee's sale or otherwise, but only as to any breach occurring after such acquisition of title.

Section 11.4 Term. The foregoing covenants and restrictions shall run with and bind all land within the Addition and shall remain in full force and effect for a term of thirty (30) years after this Declaration is recorded, and shall be automatically extended for successive periods of ten (10) years unless amended as provided herein.

Section 11.5 Severability. If any condition, covenant or restriction herein contained shall be invalid, which invalidity shall not be presumed until the same is determined by the unappealable judgment or order of a court of competent jurisdiction, such invalidity shall in no way affect any other condition, covenant or restriction, each of which shall remain in full force and effect.

Section 11.6 Binding Effect. Each of the conditions, covenants, restrictions and agreements herein contained is made for the mutual benefit of, and is binding upon, each and every person acquiring any part of the land within the Addition, it being understood that, except as otherwise expressly provided herein with respect to Declarant, Developers and the Committee, such conditions, covenants, restrictions and agreements are not for the benefit of the owner of any land except land in the Addition. This instrument, when executed, shall be filed of record in the deed records of the County so that each and every owner or purchaser of any portion of the land within the Addition is on notice of the easements, conditions, covenants, restrictions and agreements herein contained.

(a) Except as limited or restricted hereby, Declarant, Developers, the Committee, the Association and the owners of each lot and any portion of the land within the Addition shall have the easement and right to have each and all of the foregoing restrictions, conditions and covenants herein faithfully carried out and performed with reference to each and every portion of land within the Addition, together with the right to bring any suit or undertake any legal process that may be proper to enforce the performance thereof, it

being the intention hereby to attach to each portion of land within the Addition, without reference to when it was sold, the right and easement to have such restrictions, conditions and covenants strictly complied with, such right to exist with the owner of each portion of the land within the Addition and to apply to all lots in the Addition. Failure by any owner, Declarant, Developers, Committee or Association to enforce any covenant or restriction herein contained or to take any action herein permitted shall in no event be deemed a waiver of the right to do so thereafter. The rights of enforcement granted Declarant, Developers, Committee and Association under this Declaration are personal rights and in no other event shall the owner of any land except land in the Addition have any right of enforcement with respect to this Declaration. In addition, the restrictions, conditions and covenants set forth herein may be enforced by the Building Inspector (or official performing similar functions) of the City, and such Building Inspector is hereby authorized to refuse or revoke all permits for the construction of any improvements on any lot if the proposed improvements on such lot do not strictly comply with such restrictions, conditions and covenants.

(b) Notwithstanding anything contained herein to the contrary, all consents, approvals and actions reserved to or permitted to be taken or made by the Association may be taken, made or provided by the lot owners only if (i) the Association has not been created or is no longer in existence as of such date, or (ii) if the Association has been created and is in existence as of such date, the Association elects not to exercise such rights, easements and authority. In such event, the lot owners may take such action by the requisite vote of such lot owners as provided herein.

Section 11.8 Other Authorities. If other authorities, such as the City or County, impose more demanding, extensive or restrictive requirements than those set forth herein, the requirements of such authorities shall govern. Other authorities' imposition of lesser requirements than those set forth herein shall not supersede or diminish the requirements herein.

Section 11.9 Addresses. Any notices or correspondence to an owner of a lot shall be addressed to the street address of the lot. Any notices or correspondence to the Developers or Committee shall initially be addressed to the Developers or Committee, whichever applies, at the addresses of the Developers, or to such other addresses as are specified by the Developers or Committee, whichever applies, pursuant to an instrument recorded in the deed records of the County.
